

CAREER QUEST

Create a Google doc named “CareerQuest-*LastnameFirstname*”

Copy, Paste and Answer the following 6 questions for each career/job you emailed to me two weeks ago. Email the document to me, twarfield@conejousd.org, as an attachment

If you missed that assignment, pick at least 3 careers from one or more of the career clusters suggested for your personality type from the 16personalities.com web site.

If you didn't do the personality profile, start showing up to class more and get caught up on assignments, please. It will make me happy. Thanks.

- 1) What training/certification/education is required?
- 2) Where is the best place to get this training/certification/education?
- 3) How much does the training/education/certification cost?
- 4) Is demand for employees/opportunities growing, declining or stable?
- 5) How much does it pay?
- 6) Geographically, where is the best place to live while pursuing this career?
